ACA WELCOMES UPDATED INCENTIVE EXERCISES CODE

1 February 2016: Following its publication today, the Association of Consulting Actuaries (ACA) welcomes the updated code of practice together with the examples now incorporated to ensure that the code remains relevant.

To assist with its communication, the ACA website (www.aca.org.uk) features both the updated Code and the examples – see ‘Briefings and Information’ page.

About the Association of Consulting Actuaries (ACA)

The **Association of Consulting Actuaries (ACA)** is the representative body for consulting actuaries, whilst the Institute and Faculty of Actuaries is the professional body. The ACA has 1,750 members working in around 75 firms. ACA Members are all qualified actuaries and all actuarial advice given by members is subject to the Actuaries’ Code. The ACA forms the largest national grouping of consulting actuaries in the world and is a member of the International Actuarial Association.
