

*Recent research shows that fiduciary management is growing in popularity, but is it here to stay? Find out what all the fuss is about and how fiduciary management can help pension schemes. What are the day to day realities of bringing in a third party to help manage your Scheme more efficiently and how can a fiduciary management advisor help with this?*

*Shaped around the experience of Buck Consultants as an advisor to clients using fiduciary management and MN as a provider of fiduciary management services, this session will explore:*

- *The governance issues for pension scheme trustees and how fiduciary management can address these*
- *Reasons for growth in the fiduciary management market and the satisfaction of clients*
- *The fiduciary management landscape – who is providing the service; what is driving client demand; what are the perceived conflicts; and who is evaluating it*
- *What does the future hold for fiduciary management?*
